In The Spotlight: Charter Member...

Helen Short

Helen Short has been a key reason that the Plaza Art Guild continues to thrive and grow. She is tireless and inspiring to anyone who has the opportunity to meet her or own one of her paintings. Helen works equally well in watercolors or in oils. Her collaged watercolor florals are more than a beautiful painting, but look as if you had a piece of fragile sculpture suspended within a frame. We are blessed and lucky to have her as an on-going charter member of our guild.

Helen did not start out to become an artist, but came to it later in life. She realized that painting was therapeutic for her, and time spent at the easel would be emotionally and physically healing...We honor Helen and her artworkand we thank her for all that she does for us at the gallery. Helen is one of our true professional artists in every way. She continues to paint and win awards. We hope you will come and visit her and her paintings soon.
